Tianjin Jinwan Commercial Square Landscape Project is envisioned to be an open landscape space, which will combine functions of leisure entertainment and pedestrian guidance. A sunken half-moon shaped pedestrian area is integrated in the design, to resemble pearl that is half sunken in water.

天津津湾商业广场景观设计将旨在打造一个开放式的城市景观公共空间，并结合了休闲娱乐以及人流引导功能。整体造型设计为半月式的下沉广场，仿佛一颗映照在津湾水面的明珠。
