Standing majestically on the site is the graceful composition of two sails that effortlessly capture the beauty of the light sea breeze. The purity of the form creates a strong image for the site, as the towers point towards the highest point on Gulangyu Island.

双帆造型的厦门世茂海峡大厦威风凛凛的矗立地上，毫不费力地捕捉海景的优美。纯净的造型为基地建立起一个强大的形象风向标并指向鼓浪屿的最高点。
