

## Xiamen Xiang'an Master Plan

Xiamen, China

厦门翔安新城概念设计项目

厦门，中国

### Type of Program

Master Plan / 总体规划

### Size

521,000 SQM / 平米

As fast-paced traffic run along the Xiang'an Highway, people on the raised platform are shielded from noise and lights. Retail activity along the podium level and sunken gardens are protected. Elevated park becomes an oasis of interior and exterior public space.

由于基地紧邻交通繁忙的翔安公路，所以创建平台空间，使人们免受交通干扰。群房的下沉式广场设计，使得零售空间也得到了保护。高架式的半户外开方空间与西边的大型自然公园互相呼应，成为室内和室外公共空间的绿洲。
