Situated in the air harbor district of Zhengzhou, this master plan project is envisioned to be a popular regional center and entertainment attraction landmark. This development is composed of a central lake park, city performance square, high-end hotels and residences, landmark office towers, and high-end commercials. A curved lake retail street is sited on the lake, connecting the other two high-end commercial shopping malls on both sides with sky corridors. The lake retail street also connects a city performance center in the heart of the lake.

坐落在郑州空港内的郑州航空港区总体规划项目定位于创建一个繁华宜居，结合娱乐休闲为主的地标性城市中心区。配置功能包含中央湖景公园，城市展演广场，高端精品酒店及住宅，地标性办公塔楼和高端商业零售。一条弧形商业街沿湖而建，用空中连廊串联起东西两侧的两栋高端商业中心。
